

## Time & Talents – Non-Confirmed Version

---

**God has given each Christian two vitally important gifts.** The first is the gift of faith in Jesus Christ, his work of redemption, and thus forgiveness of sin. The second is the gift of one or more special abilities, which are to be used for the purpose of unifying the body of Christ and for the growth of God's Kingdom. These abilities are called spiritual gifts and they are received through our baptism.

Like other presents, it is impossible to fully appreciate and make use of our spiritual gifts until they have been opened. Below is a list of opportunities at Salem that invites each of us to put our gifts to use. If you have a gift you'd like to share that isn't listed, please include in the space provided at the bottom. We need new forms every year as we do NOT carry over forms from previous years. Please place the completed form in the offering plate or return it to the church office. Thank you!
